

Decorative Hardware

Attractive black spade handles (#1) and spade hinges (#2) are provided as standard to enhance the carriage house design. Optional decorative black hardware, including handles, operable L-keylocks, strap hinges, door knockers and studs, are available to provide a customized look to a classic carriage house door. The pricing on the sheet reflects a credit for the standard handles and hinges. Therefore, the pricing reflected is the upgraded amount.

† Door may not open properly if installed near the top depending on opening dimensions and lift type.

‡ Hardware may not fit on all door designs.

Note: When purchasing upgraded decorative hardware vs. our standard spade hardware, the value of the spade hardware is already deducted from the upgraded hardware pricing.
